REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kingstree Senior High School is located in the small rural town of Kingstree, South Carolina. The mission of Kingstree Senior High School and its stakeholders is to provide every student with a challenging curriculum; highly qualified teachers, and a safe, healthy learning environment with which to maximize their growth and development toward productive citizenship in global

Kingstree Senior High School made significant progress during the 2011 - 2012 school year towards achieving all student achievement and climate goals set. Kingstree Senior High School improved its absolute rating from atrisk to below average, but our growth rating declined from an excellent rating to below average rating. Our preliminary data indicate that Kingstree Senior High School will achieve an average absolute rating and a good growth rating. Our Parent-Teacher-Student Association flourished this school year, as well as our School Improvement Council (SIC). We can attribute our success to both PTSA and SIC for our improvement. We currently offer twelve career clusters and twenty-six majors within those career clusters that help students focus on their achievement. We foster parent and community support to meet our continuous school improvement efforts.

Kingstree Senior High School is a comprehensive high school that continues to improve student achievement by being a member of High School That Works and providing our students shadowing and transiting opportunities, an after school program, Saturday school, credit recovery, Re-Do policy and the Power of "I" to provide students the opportunity to be successful and graduate on time..

Our challenges again this year were full parental and community involvement. The establishment of a fully operational PTSA and SIC should get more parents and community stakeholders involved.

Kingstree Senior High School has a committed staff that works diligently to meet the needs of our students. We acknowledge and thank our students who were motivated to learn and achieve in the efforts to improve our school. We are grateful to the parents and community leaders who showed their continue support of KSHS.
